

6' COURTCLEAN DAMP MOP SYSTEM

Perfect for large hard floor surfaces, the Courtclean Damp Mop System is the #1 product for Gym Floor Maintenance! Constructed from a mixture of durable low-density polyethylene, the Courtclean is built with longevity in mind. A sleek design with an increased surface area and lower center of gravity provides faster, more effective wide-area cleaning.

Directions for Use:

- Dampen towel with water or solution and wring out
- Lay towel on floor and place unit on towel
- Attach towel to velcro strip on top of Courtclean
- With the included rope, pull the Courtclean across the floor overlapping each pass 6 - 12"
- Remove and launder towel for re-use

The Courtclean includes one towel and pull rope.
